

## Choosing your motorhome

With 40 years experience in renting and manufacturing our own motorhomes, we know exactly what renters require to make their motorhome holiday as easy as possible. We now custom build just four motorhome types so it is easy for you to choose the right motorhome depending on the number of people, length of vacation and your individual needs.

Perhaps if there are just two of you and you want, not just all the comforts, but also a motorhome that is easy to drive and park, as well as being economical, then you should choose the C19. On the other hand if you are a family of 4 the C25 or E27 is

ideal, or if you're a small party travelling for sometime, the C30 for all the extra storage and space.

All Cruise America vehicles come with power steering, power brakes and automatic transmission. If you drive a manual vehicle at home, it will take you seconds to get the hang of forgetting your left foot and just using the on/off pedals – the power and the brake.

From our own experience, the vehicle length has never been a problem – it just seems to follow you! Just be sure to make your turns wide. The vehicle width takes a little while to get used to, but by day two you will be driving your RV like a professional!

### Vehicles to choose from

We offer four vehicles, all with petrol engines. All of our RV's are type 'C' – remember by 'C' for Cab-over'. We find them far more serviceable for the rental business than the old flat fronted, coach style 'A' bodies we used to rent many years ago which were always prone to chipped windscreens. Indeed there is more internal space in the type 'C' and the cab-over bed is a firm favourite among the youngsters!

Everything Cruise America rents is built specially for the rental market and while we cannot say things are totally indestructible, we make a very good effort to ensure that things

like cupboard latches are secure, fabrics are durable, curtains are well secured and light-proof; our mattresses are easily cleaned, vinyl floors too. We are always striving to improve our RV's and work with the design team at one of the USA's major manufacturers to ensure we are as current in the RV marketplace as we can be.

All of our RV's have a refrigerator and freezer. They all have a hob and a microwave and cupboards for food storage in the kitchen area. All have a shower, basin and flush toilet. Waste water from the bathroom and kitchen goes into two on-board holding tanks when you are not hooked up to mains drainage at a campground.

### C19 Compact Motorhome

A recent addition to the fleet is our aerodynamic and fuel efficient C19. Cruise America's 'green machine' is narrower and will fit into a car parking slot. It's perfect for a couple with its large double bed over the cab, kitchen at the back and all those other facilities. If you have a young child, the dining table easily drops to make the dinette into a bed 3ft wide and 6ft long. The maximum we allow in the C19 is 3 people, and we recommend that one is a child.

Sleeps family up to 3  
length 20' 2" / 6.15 meters

### E27 Intermediate Motorhome

Our most recent addition to the fleet is our streamlined and aerodynamically designed E27. While still very similar to our C Class RVs the E27 is built using lightweight, hi-strength composite materials benefitting clients further with improved drivability, reduced fuel consumption and cabin noise and re-designed cabin elements to maximise comfort including LED lighting throughout. There is a separate bedroom at the rear, double bed over the cab and convertible dinette bed.

Sleeps family up to 5-6  
Length 28.5' / 8.66 meters

### C25 Standard Motorhome

Our medium size vehicle, the C25, has been a stalwart of fleet design for several years. With a rear corner double bed as well as a double bed over the cab it is ideal for two couples or a family of up to five – like the C19 the dinette area easily converts to a single bed, 3ft wide and 6ft 6ins long.

Sleeps family up to 5  
Length 24'-25' / 7.3-7.6 meters

### C30 Large Motorhome

The C30 vehicle is the largest motor home on our fleet. Its special feature is the large separate bedroom at the rear with its 5ft wide bed! There is also a double bed over the cab, a convertible sofa-bed and a convertible dinette bed. The shower is separate from the toilet/basin as well in the C30.

Sleeps family up to 7  
Length 29'-30' / 8.8-9.1 meters
